## GALLERY PAPER

### Hahnemühle FineArt Pearl 285g

Archival paper with a pearl finish. This paper is designed to meet the growing demand for media that has the look and feel of fiber-based traditional darkroom paper. Its ability to hit the deep blacks and vibrant colors makes it a great option for both black & white and color photography. 100% Lignin Free Alpa-cellulose-Instant dry & water resistant  
-Acid free

### Hahnemühle Museum Etching 350g

100% rag fine art paper with a subtle surface texture. Is exceptional for black and white or color production allowing for smooth, delicate tonal gradations. The heavier weight is ideally suited for larger prints as well as small. This paper meets or exceeds any museum standard for fine art digital papers.

### Hahnemühle Photo Rag® Satin 310g

A smooth 100% rag, acid free paper with a very unique coating that produces a satin look wherever there is a printed image while leaving a matte surface in non printed areas. Photo Rag® Satin is ideal for photographers and fine art reproduction where a slight surface variation and depth is desired.

## DIGITIZING

\$25.00 per original art piece

\*Hourly rates available for large quantities over 50 originals

\$10 to color match to a digital file provided by artist.

\$10 to photograph. Color matching not included

\$2 to scan an image 8x10 or smaller. Color matching not included. (Only recommended for greeting cards)

Prism Print Shop digitizes by studio method, using cameras and lighting. We can photograph any size artwork. We ask you to leave your art with us for 3-5 days to complete the process. Digitizing includes photographing the original pieces and then color matching to the paper of your choice. If a paper is not chosen, it will be matched on our Archival Matte.

You will receive a digital file of your artwork via Dropbox/email which you have full rights to. We will also keep a copy on file for future printing needs.

All new customers will be asked to sign a form stating ownership or rights to digitize and create prints.

\*Greeting cards are not printed on fine art paper and may not as closely resemble the original piece.

## STICKERS

We can create stickers from any of your art pieces that we have a digital file for. We offer die-cut and shaped options. Prices based on the longest side of the sticker. Stickers are high quality vinyl that are water/weather resistant, dishwasher safe.
